# Leading Now

We support superintendents and system leaders to **navigate political complexity** and **strengthen public trust** as they advance their **commitment to all students.**

## Authentic Community

*A private, diverse, national network of peers*

## Pragmatic Focus

*Public engagement and strategic communications*

## Real-Time Support

*Tech-enabled connectivity and coaching*

**96% of cohort participants rated Leading Now 9/10 or 10/10 when asked if they'd recommend us to peers.**

*"This was some of the most authentic professional development I have been a part of in many years. It was designed to build connections and leverage the knowledge and skill of the professionals in the room. I am overwhelmed with gratitude for this opportunity."*

KNOWLEDGE AND SKILLS

**1** Teacher
*Teaching and Learning*

**2** Administrator
*Managing People and Operations*

**3** Superintendent
*Public Official*

**Leading Now focuses on superintendents as public officials.**

# First Year with Leading Now
## Learning Cohorts
### Transformative, private, and connected in an innovative way

*The path to membership starts here. Learning Cohorts are the signature experience of Leading Now. Develop your public engagement, strategic communication, and problem-solving skills in a community of trusted peers and industry experts.*

| Session | Topic |
|---|---|
| **Session 1**<br>*In-person*<br>*1.5 days* | Building a trusted community of peers |
| **Sessions 2 through 5**<br>*Virtual*<br>*2.5 hours* | Strategies for public engagement and strategic communication with stakeholders:<br><br>School Board<br>Educators and Staff<br>Students<br>Parents<br>Broader Community |

**Your first year is 100% covered by philanthropy at no cost to you or your district!**

*"System leaders aren't afforded spaces like this enough. It is rare to have opportunities to be vulnerable and authentic."*

## Membership Benefits

### You'll have access to our full suite of enduring member benefits, including:

- In-person summer gathering
- Briefing sessions and roundtables with industry experts
- Office hours with Leading Now staff
- Book studies
- Learning series on timely topics such as AI
- Newsletter
- Private Slack channel
- Resource library
- 1x1 support

*"It was empowering to have an opportunity to give feedback to my peers, while adding new ideas to my toolbox."*
